

July 2, 2015 – Windsor Capital Advisors, a wholly-owned operating unit of Windsor Private Capital Limited Partnership, is pleased to announce the closing of the acquisition of Ben Machine Products Company Incorporated by Exchange Income Corporation for gross proceeds of \$46,000,000.00. Windsor Capital Advisors acted as exclusive financial advisor to Ben Machine Products in this transaction.

About Windsor Private Capital Limited Partnership

Windsor Private Capital is a private merchant banking firm headquartered in Toronto, Canada. Since 1994, Windsor and its predecessors have provided structured credit and bridge financing solutions to small and middle-market companies, both public and private, as well as entrepreneurs and high net-worth individuals. Windsor has one of Canada's top team of merchant banking professionals with backgrounds in Canadian and US capital markets, investment banking, management consulting and law. Windsor focuses on a wide range of industry sectors including real estate, technology, telecommunications, natural resources, manufacturing, retail, healthcare and business/financial services.

About Ben Machine Products Company Incorporated

Since its founding in 1973 as a small tool and die shop for the investment casting industry, Ben Machine Products has grown into a fully-integrated industry leader, expanding into CNC machining, turning and metal sheet operations.

About Exchange Income Corporation

Exchange Income Corporation is a diversified acquisition-oriented company, focused in three sectors: aviation services and equipment, metal manufacturing, and infrastructure services. The Corporation uses a disciplined acquisition strategy to identify already profitable, well-established companies that have strong management teams, generate steady cash flow, operate in niche markets and have opportunities for organic growth.

The Corporation currently operates three segments: Aviation, Manufacturing and Infrastructure. The Aviation segment consists of the operations by Perimeter Aviation, Keewatin Air, Calm Air International, Bearskin Lake Air Service, Custom Helicopters and Regional One. The Manufacturing segment consists of the operations by Jasper Tank, Overlanders Manufacturing, Water Blast Manufacturing, and Stainless Fabrication. The Infrastructure segment consists of the operation of WesTower Communications (Canada). For more information on the Corporation, please visit www.ExchangeIncomeCorp.ca. Additional information relating to the Corporation, including all public filings, is available on SEDAR (www.sedar.com).
