About Windsor Private Capital Limited Partnership

Windsor Private Capital is a private merchant banking firm headquartered in Toronto, Canada. Since 1994, Windsor and its predecessors have provided structured credit and bridge financing solutions to small and middle-market companies, both public and private, as well as entrepreneurs and high net-worth individuals. Windsor has one of Canada's top team of merchant banking professionals with backgrounds in Canadian and US capital markets, investment banking, management consulting and law. Windsor focuses on a wide range of industry sectors including real estate, technology, telecommunications, natural resources, manufacturing, retail, healthcare and business/financial services.
